RAZ-Plus is an online resource that contains thousands of leveled books that students can read or listen to. If your child has difficulty accessing books on this site, please contact your child's teacher.

Directions for logging onto RAZ-Plus from an ipad:
- Download the app called "Kids A-Z."
- From the app, enter your teacher's username **(this can be retrieved from the teacher).** You'll only be prompted to do this the first time you enter the site on any given device. Afterwards, you will simply click on the name of your teacher.
- Click on your name and enter your password. Your password will be your lunch number.

To read books on RAZ-Plus from an ipad:
- At the bottom of the screen, click "Reading."
- At the bottom half of the screen, go to the Reading Room. Click on to "Leveled Books."
- At the top of the screen, you will see different levels of books to choose from. The levels are highlighted.
- Find a book that you want to read. To read it, click the book icon. To listen to the book, click the headphones icon.
- When you finish reading the book, take the quiz.
