

## How to log into a student Google Account?

When logging into Google Products you might be asked to enter an **email address**

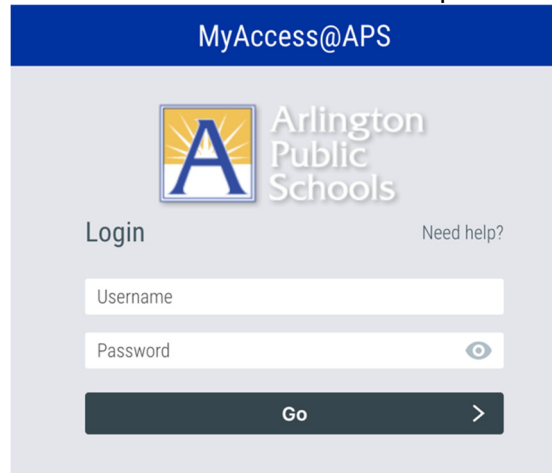

**You must enter the student ID# followed by @apsva.us (1123457@apsva.us)**

The image shows the Google sign-in interface. At the top is the Google logo, followed by the text "Sign in" and "Use your Google Account". Below this is a text input field with the placeholder "Email or phone". Underneath the field is a link for "Forgot email?". Further down, there is a note: "Not your computer? Use a Private Window to sign in." with a "Learn more" link. At the bottom left is a "Create account" link, and at the bottom right is a blue "Next" button. At the very bottom of the page, there are links for "English (United States)", "Help", "Privacy", and "Terms".

You will then be taken to this screen: **NO EMAIL ADDRESS IS NEEDED**

Just the student's username and password

The image shows the login screen for MyAccess@APS. At the top, there is a blue header with the text "MyAccess@APS". Below the header is the Arlington Public Schools logo, which consists of a stylized blue 'A' with a yellow sunburst behind it, and the text "Arlington Public Schools" to its right. Underneath the logo is the word "Login" and a "Need help?" link. Below these are two input fields: "Username" and "Password". The "Password" field has an eye icon to its right. At the bottom is a dark grey button with the text "Go" and a right-pointing arrow.
