

## MPSA Library Schedule of Classes & Services

2020-2021 Distance Learning Mode

**During distance learning, all students at MPSA will have a weekly 30-minute library session with our librarian. These sessions are live on Teams (synchronous). Students get into library class using the same MS Teams link as for their whole homeroom classes. There is not a separate link just for library time.**

Students will borrow physical books by putting them “on hold” through the library’s catalog (Destiny Discover). Students need to be logged into the catalog for the holds feature to work correctly. Teachers will be notified on Wednesday afternoons if a child in their class has library books available for pickup.

Book pickup will be supervised by library staff at Door 1 on Thursdays from 9:15 – 4:00 p.m. (closed 12-1). Families may pick up library materials by following social distancing (and masked) practices at Door 1 of the school. If Thursdays do not work for your family, checked out books are available the following Mondays through Wednesdays, whenever the front office is staffed. Thank you for always following necessary social distancing and face covering guidelines.
