

2021-2022 MPSA SCHOOL SUPPLY LISTS

Please use the guide below to find your teacher’s list (click on the page number). All Primary teachers will be using the same supply list. **Parents who have not received their classroom assignments** should also use the standard list for your child’s grade level.

Classroom assignments will be mailed home next month, however, students returning to MPSA (except for rising 1st and 4th graders) will be assigned back to the teacher whose classroom they were placed in last September 2020, so please use that teacher’s supply list. For families who do not wish to wait for their classroom assignments to ship, please feel free to use the standard supply list for your child’s grade level. All Primary Montessori students will use the same list. Ms. Alcorn’s students are now with Ms. Joshi; and Ms. Stein’s students are now with Ms. Hambleton so please use those class lists.
