Hi my name is TIPPY

Hi my name is SQUIRT

Hi my name is Tippy and my name is squirt. But do not mistack us with tippy and squirt that live at MPSA (Montessori Public School of Arlington). We are traveling on the Equatorial counter-current from indheshg to californya. For migration becoes the water gets cold. One day we were on a way to californya and we then herd a scream all the trtles trned around Lily was traped in plastic soda botl rings and fishing line and she was bleding to deth. Evry body look up said Tippy thers a big garbage patch flotng aove us said Tipp. Enofe lily is going to diae sobed Squirt. Squirt is lily's best friend and she woad be devestade if she died so squirt swam as fast as she cood and bit lily out of the trash. Squirt helped lily swim and so did I we got hafe way ther when lily clapst and fell to the botum of the Oshon. Then squirt sudenly was in

terse and was wailing and sobing.

The end

This is what happens
to the (creats) that we love
if we are this (cruel) to the
environment (our) (world) will
die if we dnot (change) (our)
(ways).
