

## **Pollution, Pollution**

A Poem

Pollution, pollution, it hurts my heart,  
So please, reduce plastic in your shopping cart?  
Recycling, recycling, you know it's the best,  
So separate bottles from all the rest.  
Litter, litter, is all I can find  
So never leave any trash behind.

Pollution, pollution ~~Hebmas~~  
n.l.

pollution, pollution it hurts my  
heart, so please, reduce plastic  
in your shopping cart? Recycling,  
recycling, you know its the best,  
so separate bottles from all the  
rest. Litter, litter, is all I can
