I have a crocodile
his name is Kyle and
he lives in my basement
i don't want a replacement.

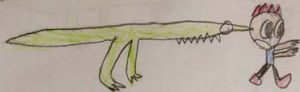

I sometimes
bring him to
school it is
really
cool.

Then the
police come
we had to
run!

Wee-oo
Wee-oo

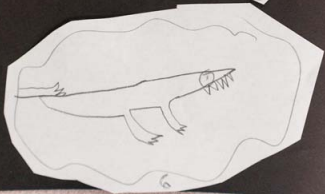

But when I look
back it turns
all...

Next thing I know

I'm down stairs
throwing my hand
up in the air
like I don't care

Let me
say + his
I love my
crocodile
witch is
named
Kyle. I'd
never leave
him or STM.
