Rakeb

Paragraph of me Rakeb.

I like to be kind. Always dreamed to fix. I'm 9
years old I've always been told I'm a great *artist* I love it
when I'm the smartist. I love to go to the park and make
a mark on my chart. In this poem I want to show who
I am onto this paper. Always wanted to be the maker of
Painting on walls. I love walking through the halls of famous
people art. Well that's the end of my poetry.
